

## **Novena for the Feast of the Sacred Heart of Jesus**

### **June 18-26, 2025**

#### **Novena Prayer:** *(at end of each meditation)*

O Most Sacred Heart of Jesus,  
living and life-giving fountain of eternal life  
infinite treasure of the divinity,  
glowing furnace of divine love,  
in you I find my rest and my sure refuge.  
Most loving Savior, inflame my heart  
with the same burning love which enkindles your own;  
pour into my heart the manifold graces  
of which yours is the source.  
Grant that your will be mine and that mine  
be in conformity with yours for all eternity.  
Amen
